-November 13, 2018-

Thank God ...

- ❖ That I was born in America.
- ❖ That I can worship Him without incurring being persecuted.
- ❖ That my children are healthy.
- ❖ That I live in Murray, KY.
- ❖ Someone created ear plugs so my wife doesn't have to suffer my snoring.
- ❖ For farmers.
- ❖ We have heat in the cold.
- ❖ Jesus will love me even on my worst day.
- ❖ We aren't oppressed for declaring opinions contrary to our government.
- ❖ For our health that enables us to work and enjoy recreation.
- ❖ For changing leaves, football, and taco soup.
- ❖ For integrity in the midst of a lack of character.
- ❖ For grace, mercy, and forgiveness.
- ❖ That I have an advocate with the Father, Jesus Christ.
- ❖ If I confess my sins He is faithful to forgive and cleanse me of them.
- ❖ That on my worst day I will still be a child of His.

Each of us can make lists of why we're miserable, and we may very well be justified to do so, but Paul wrote to give thanks in all things (1 Thess. 5:14). Going into a week just before the week of Thanksgiving, we can and should reflect on reasons we can be thankful. It's as the song says, "Count your many blessings." I realize it may be difficult to do so, but if life is rough and unfair, make a list of things for which you can be thankful and reflect on them. Sometimes looking at our blessings can better help us face our difficulties.

Someone once wrote, "Gratitude can turn what we have into enough." Discontent often arises when we fail to note what we have, even the most basic of things. For example, when we wake each morning, we awake with life and the love of God. From there can flow a gratitude to Him for such basic things that the "big" things we fret over seem to even evaporate or become small. One of the great reminders in the midst of our fretfulness is that God still loves us, so we can go forward and face whatever it is.

Involvement Minister

It is that time of year again. SANTA PROJECT TIME

Sunday morning, November 25th, you will have an opportunity to either give money for shoppers or take a child or children's names for you to sponsor. The following Sunday morning you will be able to pick up names to shop for, with donated money. Laker Christmas as well as Tiger Christmas are sponsored by both recourse centers and what an excellent job, they do on behalf of the children of both our school systems. But they could not accomplish the task if it were not for the help of so many volunteers that give financially, sponsor, and shop with donated money. Of course, most of all we need volunteers that will pick up names for full sponsorship. Each volunteer will receive a sheet of explanation for the drop off points and the timing of delivery. On behalf of many children, thanks in advance for your help!

PACKRATS ARISE!

Ernie Bailey

Our church historical files are very incomplete in many areas and this appeal is made to those of our number who are packrats or who know of someone who is. There are savers and there are throwers and if you have been a saver, this message is for you!

Among other items, we are missing several flyers or printed programs from such annual events as Ladies Day, Ladies Retreat, Sing & Rejoice, VBS and others. There are gaps in these files and here is where the packrats come in.

As you are doing end-of-year cleaning & throwing, please search for any of the items listed above as well as for anything else that pertains to the history of this church. Before tossing any of these things, please bring them to the church office so that we may check our files to see if anything is needed. Don't just assume that we already have an item because we very well may not.

Packrats/savers to the rescue!!

"Rejoice, Give Thanks, Pray"

THANK *You* SO VERY much

Thank you so much to those who expressed their condolences during the time of my Grannie's passing. We really appreciate having such a loving church family and for sending the beautiful wall hanging.

~~~~~

We are in need of more people to take the Lord's Supper to Shut-ins on Sunday mornings. This can be done during or after Sunday school. Two people are needed each Sunday with one tray going to Hickory Woods and Fern Terrace and the other tray going to Spring Creek and another residence. This is a wonderful blessing to our shut-ins and they so enjoy seeing you or even your whole family. If you have questions or would consider helping in this area, please see Garry Evans or Jeanne Underhill or call the office at 270-753-3714.
